

Cable Ringing / Scoring Plier

It's back! The raw material forging was discontinued, but we invested in recreating this tool and it is insulated, **IN STOCK** and ready for service!

CRP900

These insulated cable scoring pliers are used to cut through exterior cable insulation to facilitate stripping. Extensively used on older underground systems with lead sheathed wires and cables.

Warranty:

Lifetime guarantee on the mechanical portion of the tool.
Two year guarantee on the insulated portion of the tool.

Length:
Approx. 8.5"

Max. Jaw Opening:
