**PRODUCT OFFERING UPDATES
NOTICE ON 1/4" Square Drive
Torque Wrenches:
30150TW14I or 40200TW14I
March 2024**

Our new true 1/4" Square Drive torque wrench head for direct connection of sockets.
Exactly right, no adapter required!!

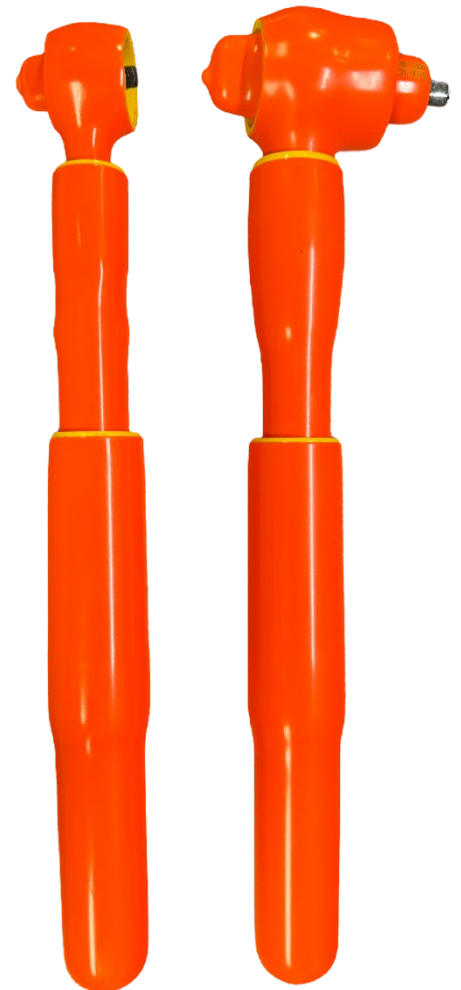

Our new head size features a smaller diameter with direct connection to 1/4" drive sockets so either of these torque wrenches can be used in tighter spaces. **Winner!!**
