

Universal Spliced Hot Sticks

Universal Spliced Hot Sticks offer an “extendable” design. Pair the top Universal head portion with the base section and add extension portions as needed for extra length.

Spliced hot stick features and benefits:

- Eliminates storage problems and duplication of tools
- Lightweight and easy-to-handle
- Click-lock ensures secure connection of tool portions (as shown to the right)
- Increases ability to transport tool and ship if required
- Lightweight and easy to handle
- 1-1/2” Diameter high quality, foam filled, fiberglass reinforced plastic tube providing maximum insulation and mechanical strength

Length	Universal Head		Extension		Base	
	Part Number	Weight	Part Number	Weight	Part Number	Weight
4'	CPSUHS-55474	2.3 lbs	CPSES-55464	2.0 lbs	CPSES-55534	1.8 lbs
6'	CPSUHS-55476	3.4 lbs	CPSES-55466	3.0 lbs	CPSES-55536	2.7 lbs
