

Diagonal Plier 7" Options

As industries continue to develop safe, live electrical work techniques the demand for insulated tools grows.

Cementex offers three 7" diagonal cutting plier options to necessitate having the right tool for the job.

Cementex will remain standardized on the P7D unit for our primary 7" Diagonal Pliers including in any kits that calls for this plier.

P7D

P7D-B

P7D-S

Box joint style diagonal pliers with their slimmer head allows access to tighter locations than our standard. The P7D-S allows access to tightest of locations.
