

Arc Flash Hoods: Contractor Series

The Cementex Contractor Series is the perfect blend of premium quality safety equipment in an affordable package. The 40 cal/cm² garments of this series have been a staple of the industry for some time.

Hood

- FR Treated cotton meets ANSI/ISEA 125 Level 2 Conformity and Arc Flash PPE Level 4 standards with an arc rating of 40 cal/cm²
- Khaki color allows easy identification of debris and contaminants
- Energy absorbing polycarbonate lens
- 51% Visible Light Transmission (VLT)
- Nearly clear TCG Series hood window provides 100% true color acuity and includes anti-fog and anti-scratch resistant coatings
- Contractor Series Hoods have Hood Light Strap for use with LIGHT-1 (optional unless indicated in part)
- Contractor Series Hoods are “Vent Ready” and can be upgraded to include a hood vent system
- ANSI Rated Hard Hat and headgear
- Meets or Exceeds: NFPA 70E, CSA Z462, ASTM F1506, ASTM F2178, ANSI Z87.1 and Z89.1

CP-HVSM-4B

Hood Vent System

- High precision fan motor which provides over 6 cubic feet per minute (CFM)
- Durable and inherently flame resistant plastic housing
- Fresh air bladder
- Reinforced plastic spiral hose
- Requires 4 AA batteries (not included)

Contractor Series Hoods and Accessories
